Pre-Production Samples

If you're placing your first Digital order you may wish to have a Pre-Production Sample produced first so you can check that you are happy with your design. We don't make any adjustments to your artwork - we'll print in CMYK as per the file you send to us.

Tea Towel	Pre-finished Bag	Bag	Cushion Cover	Apron	Double Oven Glove or Mitt	Napkin
£15	£15	£25	£25	£25	£25	£25

Pre-production sample prices are excluding VAT. Please note that colours will vary between screen & digital printing. Unfortunately, we are not able to colour match digitally printed items to Pantones, swatches or screen printed items.

Claim the cost of your digital samples back!

We'll deduct the pre-production sample costs from your invoice, for each design, when you order a minimum of 25 units of that design and product type.

Example: 3 bag pre-production bag samples purchased. Order placed for 25 units of each of 2 of these designs means that 2 sample charges are deducted from your order invoice. Delivery charges are non-deductable.

Screen Printed Pre-Production Samples

If you require a one-off Screen Printed sample the charge would reflect the number of colours in your design and the type of product. If you approve the Pre-Production Samples and proceed with a full run (with no changes to the artwork) we wouldn't charge for the Screens on your final order. Please find examples of the costs below:
